# Town Warrant

## STATE OF MAINE

PISCATAQUIS SS.

To SELDEN D. RICE, a Constable in the town of Guilford in said county, GREETING:

In the name of the State of Maine you are hereby required to notify and warn the inhabitants of the said town of Guilford, qualified by law to vote in town affairs, to assemble at the Town hall in said town on the thirteenth (13th) day of March A. D. 1911, at ten o'clock in the forenoon to act on the following articles, to wit:

- ART. 1. To choose a moderator to preside at said meeting.
- ART. 2. To choose town clerk.
- ART. 3. To hear all reports to be made at said meeting.
- ART. 4. To choose three or more selectmen, assessors and overseers of the poor.
- ART. 5. To choose a town treasurer.
- ART. 6. To choose a road commissioner and fix his compensation for the ensuing year.
- ART. 7. To choose town agent.
- ART. 8. To choose a member of the superintending school committee.
- ART. 9. To see if the town will vote to unite with any other towns to employ a superintendent of schools in accordance with the provisions of Chapter 296 of the Public Laws for the year 1897, as provided by Chapter 15 of the Revised Statutes as amended in 1903.

- ART. 10. To choose a superintendent of schools or to see if the town will vote to authorize the superintending school committee to elect a superintendent of schools.
- ART. 11. To choose a collector of taxes and see what method the town will adopt for the collection of taxes the ensuing year.
- ART. 12. To choose one or more auditors of accounts.
- ART. 13. To choose one or more constables.
- ART. 14. To choose truant officers for the ensuing year.
- ART. 15. To choose surveyors of wood, bark and lumber, and all other necessary town officers for the ensuing year.
- ART. 16. To see what sum of money the town will vote to pay the superintendent of schools for each day of actual service or pay a stated salary.
- ART. 17. To see what sum of money the town will vote to raise for the support of schools.
- ART. 18. To see what sum of money the town will vote to raise for repairs and insurance on school-houses.
- ART. 19. To see what sum of money the town will vote to raise for a Free High school at the village.
- ART. 20. To see what sum of money the town will vote to raise for purchase of school books.
- ART. 21. To see what sum of money the town will vote to raise for school supplies and appliances.
- ART. 22. To see what sum of money the town will vote to raise for the support of poor and other town charges.
- ART. 23. To see what sum of money the town will vote to raise to pay outstanding debts and the interest on the same.
- ART. 24. To see what sum of money the town will vote to raise for the support of roads and bridges.
- ART. 25. To see what sum of money the town will vote to raise to build new sidewalks and repair of the old sidewalks in Guilford Village,

- ART. 26. To see if the town will vote "yes" or "no" upon the adoption of the provisions of Chapter 112 of the Public Laws of Maine for the year 1907, as amended by Chapter 69, Public Laws of 1909, relating to the appropriations of money necessary to entitle the town to State aid for highways for the year 1911.
- ART. 27. To see if the town will raise and appropriate in addition to the amounts regularly raised and appropriated for the care of ways, highways and bridges, the sum of (\$400.00) four hundred dollars, being the maximum amount which the town is allowed to raise under the provisions of Chapter 112 of the Public Laws of Maine for the year 1907 as amended by Chapter 69, Public Laws of 1909.
- ART. 28. To see what sum of money the town will vote to raise for fire purposes and electric lights.
- ART. 29. To see if the town will vote to pay the superintending school committee for their services the ensuing year.
- ART. 30. To see if the town will vote to raise the sum of five hundred and seventy-five dollars (\$575.00) for the support of the Guilford Memorial Library.
- ART. 31. To choose one or more trustees for the Guilford Memorial Library.
- ART. 32. To see what sum of money the town will vote to raise for music in the schools.
- ART. 33. To see what sum of money the town will vote to raise to help pay the expenses of Memorial Day, and how shall the same be expended.
- ART. 34. To see if the town will vote to have a night watchman in Guilford Village, and vote to raise money to pay for said night watchman.
- ART. 35. To see if the town will vote to raise the sum of one thousand dollars and pay the same over to the treasurer of the Guilford Water Company

as per contract signed Aug. 10, 1910, as per vote of said town, empowering a committee to make and sign said contract with said Guilford Water Company.

- ART. 36. To see if the town will vote to raise the sum of one hundred dollars (\$100.00) and pay the same to the Guilford Fire Company the same to be paid to each member for practicing and fighting fires according to time actually put in, and to buy any necessary articles needed from said sum, and to make annual report to town meeting of their expenditure of said money.
- ART. 37. To see if the town will vote to buy, build or rent a room for a lockup, and make arrangements for the same, and how much money to raise for the same.
- ART. 38. To see if the town will vote to instruct the selectmen to purchase a steel cage, for a lockup, and raise money to pay for same.
- ART. 39. To see if the town will vote to instruct the selectmen to use the net income received for the use of Town hall in making all necessary repairs both inside and outside by way of painting, new steel ceiling, or buy more new chairs, or expend said income as the selectmen think best.
- ART. 40. To see if the town will vote to raise a sum of money and pay the members of Guilford band to assist the same in promoting their organization, purchase uniforms and other necessary expenses.
- ART. 41. To see if the town will vote to pay Mrs. Freeman D. Washburn on account of breaking her wrist by slipping on the sidewalk near the residence of M. L. Hussey, and raise money for same.
- ART. 42. To see if the town will vote to accept the list of jurors as prepared by the selectmen.

- ART. 43. To see what sum of money the town will vote to raise to cut bushes by the side of the town roads, and to buy boards and build snow fences.
- ART. 44. To see if the town will vote to raise money to put in an iron fountain for watering horses near Grover block, so-called.
- ART. 45. To see if the town will vote to re-establish the school in the Brown District.
- ART. 46. To see if the town will authorize the school board to appoint a school physician for making medical inspection of our schools, and what sum of money shall be raised for the same
- ART. 47. To see whether the town will vote to repair or enlarge the present village school buildings, or build a new building, and how much money the town will raise for this purpose, and authorize the selectmen and treasurer to hire the same.
- ART. 48. To appoint a committee to have charge of repairing or enlarging the present village school buildings, or building a new building, as the town may vote, select and purchase a lot if one is required, and make all contracts necessary for the same

● The selectmen give notice that they will be in session for the purpose of correcting and revising the list of voters at the Town hall at nine o'clock in the forenoon on the day of said meeting.

Given under our hands at Guilford this fourth day of March, A. D. 1911.

MICAJAH HUDSON,	} Selectmen
F. H. WEYMOUTH,	
E. E. FAIRBROTHER,	
	} of
	} Guilford.

# Report of Guilford Memorial Library

The Trustees of Guilford Memorial Library respectfully submit the following report:

The Library has been opened 98 days during the year.

Whole number of books issued for home use 12,194, which shows an increase in circulation over last year.

The largest number issued in one day, 207 vols.

No. of books added, 434 vols.

By gift, 199 vols.

The five-cent fiction plan remains popular.

Open stack on Wednesday afternoons is much appreciated.

During the past year, special cards have been issued to teachers, allowing greater privileges in regard to reference work. Through the courtesy of Hon. Frank E. Guernsey, our Library has been selected as a depository for Geological documents in this vicinity. The trustees desire to thank all who have donated books, magazines, pictures and other furnishings for the library, and to again thank the citizens of the town for their cooperation.

Respectfully,

MRS. R. H. MARSH, Sec'y of Trustees.

## TREASURER'S REPORT

The Treasurer of the Guilford Memorial library submits the following report for the year ending March 1, 1911.

### RECEIPTS

Total receipts, \$852 52

Total expenditures, 705 96

Balance cash on hand, \$146 56

Respectfully submitted,

FRANK O. MARTIN, Treasurer.

# Report of the Superintending School Committee

---

## TO THE CITIZENS OF GUILFORD:

The chief duties which have fallen upon the school committee during the past year have been to superintend repairs upon the school buildings at Lowe's Bridge, the Center district, and the room of the 4th and 5th grades in the village. The work in all three places has been thoroughly done with one exception: the walls and ceiling at Lowe's Bridge should yet be tinted.

Certain repairs must be made during the coming year and should be provided for with a sufficient appropriation. At North Guilford the sills of the building at one end have rotted away allowing the floor to settle. If the building in the Brown district is used next year the ceiling should be repaired as it seems likely to fall at any time. A new hall floor should be placed also as holes have already come in the one now in use. Almost no repairs have been made upon the High school building since its erection. During the coming summer new floors should be laid in the two halls and in two of the main rooms. New curtains are needed in three rooms. Windows throughout the building should be tightened in their casings; thereby shutting out a great amount of cold. Conditions in one recitation room should be tolerated no longer. This room is in constant use during school hours every High school student going into it for at least an hour a day and some of them two or three hours. If necessity compels the teachers to use this

room another year certain alterations are imperative. New windows must be added and at least one new radiator. Eyesight and health of teachers and pupils are endangered by the present lighting and heating conditions of this room.

The following appropriations for the ensuing year are recommended:

Common schools,	\$1,000 00
High school,	2,000 00
Textbooks,	300 00
Supplies and appliances,	300 00
Repairs and insurance,	900 00
Music,	150 00
Superintendent of schools,	500 00

Although certain of the foregoing appropriations are larger than have been recommended hitherto, the total amount asked for is \$300 less than the amount raised in 1908, \$400 less than in 1909, and \$500 less than in 1907. The above sums would put the schools upon a good financial standing.

The following report is submitted:

### FINANCIAL STATEMENT

	Receipts	Expenditures	Unex- pended	Over- drawn

# Report of Superintendent of Schools

## TO THE SUPERINTENDING SCHOOL COMMITTEE:

Gentlemen:—During the past municipal year our schools have been under the supervision of three different persons. On the resignation of Mr. Palmer in March a year ago, Mr. Higgins was elected as superintendent and acted in that capacity until July 15. At that time I was chosen to complete the year, and it is of these last months, during which the schools have been under my care, that I would submit the following report.

From returns made by the teachers at the close of each term the following statistics have been gathered. A careful examination of these will reveal certain of the weak points of our schools.

	Village	Rural	Total
Children in town between 5 and 21,	287	123	410
Average number registered in school:			
spring term,	237	66	303
fall        "	241	62	303
winter     "	242	57	299
Average attendance spring term,	214	60	274
fall        "	217	52	269
winter     "	219	46	265
Number not absent $\frac{1}{2}$ day:			
spring term,	44	32	76
fall        "	70	11	81
winter     "	80	10	90
Number of visits by citizens,	141	121	262
superintendent,	30	40	70

Average number of pupils to a teacher:

grades,	31	12
High,	19	
Number of weeks in school year,	34	33
High,	35	

During the fall term a run of scarlet fever closed the village schools three weeks and consequently affected the attendance of the entire year. It is difficult to account for the number of tardinesses for the year. Although the number has been gradually diminished during the past two terms it seems that the great number which the teachers' registers show is inexcusable. Through the use of printed slips the teachers have reduced the number, yet we ask the cooperation of parents in getting children to school on time so that the work of an entire room may not be hindered by late arrivals.

### RURAL SCHOOLS

In the rural schools the average number of pupils registered for the year is as follows:

Brown district,	7
Center " "	9
Grover " "	22
Lowe's Bridge,	13
North Guilford,	9

During the coming year six new pupils are expected to attend the Brown school making it advisable to continue school in this district.

All the rural schools are graded according to the same course of study as the village schools and are keeping to nearly the same standard. At the beginning of the fall term I found the books in all the rural schools in very bad condition. Nearly all were removed and many new ones substituted so that the same texts are in use throughout the town.

The rural schools have had a prosperous year. Three inexperienced teachers were placed in the fall but they have been successful in doing thorough and careful work,

In the Lowe's Bridge district Miss Miranda Hackett has taught three terms with splendid success. Miss Hackett has had considerable experience in teaching and is deserving of a better position than any rural school affords. We are fortunate in being able to retain her services for the coming term.

### VILLAGE GRADES

Following is the average number of pupils registered in the grades for the year:

Subprimary and 1st grade,	45
2d and 3d grades,	34
4th " 5th "	33
6th " 7th "	35
8th " 9th "	41

Only one change in the teaching force has been necessary during the present school year. Owing to illness Miss Herring was obliged to resign from the subprimary and first grade room. A registration of 55 children had made it desirable to place an assistant here, so on Miss Herring's withdrawal Miss Gordon was promoted as principal, and Miss Ina Washburn elected as assistant. Good work has been accomplished and more ground covered than in any year hitherto. Miss Smith and Miss Cousens have done their usual strong work. Miss Delano and Miss Coombs, who came to us new in the fall, have proved unusually capable. The grades are now all under the instruction of competent and experienced teachers whose services should be retained.

Since I have been acting as superintendent a new system of writing has been introduced which is working out well. The textbook in arithmetic has been changed for one which has already proved a decided improvement over the one displaced, and the Aldine system of reading has been adopted. Considerable new reading material should be supplied as soon as funds are available, and more history and physiology introduced. A whole new course of study

should be worked out in order to admit new subjects and give more time to some now given.

Good progress has been made with the music. The time has come when we should have a drawing and manual training teacher. Such a teacher might be had by combining with another town.

## HIGH SCHOOL

At the beginning of the fall term a new course of study was introduced. While too many changes could not be made in a single year, enough were made to give a much better course than the old schedule offered. Other changes should be made as soon as possible.

The High school is now under the instruction of an excellent teaching force. Mr. E. S. Foster, principal, came to us in the fall from M. C. I. As instructor of the sciences and mathematics he has done strong work. Beyond this Mr. Foster is a man of excellent morals whose influence is for the best, and has showed himself a Christian gentleman.

Miss Blanche Waller, first assistant, has been unusually successful with the Latin and French classes. The character of Miss Jonsson's work is already known as she is entering upon her third year with us. As instructor of history and English she has brought the classes from a bad condition to the point where they are capable of doing the grade of work which compares favorably with that of schools larger than ours.

During the short time that I have been associated with the schools as superintendent, I have endeavored to give my best to the work. It is unwise to undertake changes until one is thoroughly acquainted with conditions as they already exist. Yet certain changes which I have suggested should be made at once.

I found the textbooks in all the schools in bad condition. These I gathered up and was able to dispose of about sixty dollars worth as old paper. This amount was deducted from the book bills and so did not appear as cash.

No catalogue has ever been made of the school books so it often happened that new books were bought when perhaps fifteen or twenty copies were in another school unused. I have commenced a complete cataloging of all texts, and this work should be completed at once. In the same way some record of supplies should be kept.

In closing this report I must mention two changes which are demanded. Although there might be ample room in the Town hall schools for the pupils attending them, the sanitary conditions are such that the town should tolerate them no longer. In the High school building one recitation room is unfit for use in its present condition. The lighting and heating are such that it is almost criminal to force a teacher to remain in it all day and fifty students to spend hours of each day there. Something should be done to remedy these defects.

I would take this opportunity to thank those who have assisted me in making the past two terms profitable. I would thank especially the school officials and the teachers with whom it has been a pleasure to be associated.

Respectfully submitted,

E. REBECCA ELLIS, Superintendent of Schools.

# Report of the Board of Health

---

To the inhabitants of Town of Guilford we respectfully submit this report:

In the last year our town has been visited by diseases of a serious nature, causing anxiety to parents, affecting the progress of our schools and the general condition of the town.

Scarlet fever prevailed to considerable extent, owing to the mild form of early cases, where no physician was called.

Diphtheria made its appearance in the autumn, two cases resulting in death, but by strict quarantine and the use of antitoxin it was kept under control and finally eradicated.

Infantile paralysis developed in several families in town, leaving the victims in a pitiable condition, but until more is known of the disease we can only impress upon you the importance of strict quarantine which is necessary to suppress the dreaded disease.

One nuisance was found and removed.

Owing to the prevalence of tuberculosis we deem it our duty to call your attention to the fact, that the State Board of Health has published a pamphlet giving instructions for the care of such cases. These pamphlets can be had by applying to the local Board of Health.

F. M. BRIGGS, Chairman,	} Board of Health
